NEXT MEETING DATE

The next meeting of the Lakebridge Association No. 4 will be held on Tuesday, May 11, 2010 at 6:45 p.m. at Good Shepherd Lutheran Church, 7600 Cahill.

IMPORTANT - PROOF OF INSURANCE DUE AS SOON AS POSSIBLE

Remember to get your proof of insurance to Mertz Hebert as soon as possible. You may also mail it to the Association's address or include it when you send in your association's dues. If you have questions about this, please contact Mertz at the number below. If you have not provided your proof of insurance to date, she will be contacting you in the near future.

REPLACING LIGHTS BULBS

Homeowners are responsible for replacing burned-out light bulbs near garage and gate entrance. This needs to be done as soon as the bulbs burn out to provide lighting for safety to your home as well as neighbors' home. If you are having any trouble with these light fixtures turning on, etc., please contact Karen Hemmingson - Repairs, at the number below.

PARKING

Except for your guests visiting for short periods of time, there is no parking on drives or roadways. You have TWO places in front of garages only. Homeowner's guests should park so that there are cars only on one side of the street. Our narrow roads and drives make these rules necessary in case of emergency.

LAWN SERVICE

Branches and yard waste will be picked up by our lawn service if they are put at the end of the drives. No fires are allowed, except in closed containers.

GARBAGE PICK UP AND IGH CLEANUP DAY

Please do not put your garbage cans and recycling bins out at the end of the drives before Wednesday evening. Keep containers in your garage or inside fence between Thursday garbage pickups. Trojes will pick up large items if called and prearranged. There will be a fee at the homeowner's expense.

Inver Grove Height's Clean Up Day is September 18. Many things can be taken to City Hall for a small fee. Please check the City's website at www.ci.inver-grove-heights.mn.us for further information.

LAKESHORE RESTORATION

Do not go on the lakeshore until the plants have had a chance to take root.
