Snow plowing:

Thanks to all who have been moving vehicles for the snow plows. Remember, if any car parked outside that is not moved for the plows, it becomes your responsibility to shovel the area.

Service doors:

We will begin assessing garage service doors this spring to see which need replacement. A committee will be inspecting doors when the weather is warmer. If your gate is normally locked, please email a contact phone number to the association email so you can be notified of when to make arrangements to have your door looked at. (lakebridge4@yahoo.com) Failure to do this will put your door at the bottom of the list, regardless of condition.

Spring is coming:

As the snow melts please clean up any of your garbage or recycling that might have been dropped from bins. Remember to bag ALL garbage and break down cardboard into small bundles. Recycling should be in containers or bags that hold all items and do not spill over. Remember, if you have large items that do not fit into bags, you may call Troje's and arrange payment to have them picked up at your expense. THANK YOU

Email:

At times we need to send information when there is not a newsletter. If you did not get notice of the February meeting, you are not on our email list. If you have email please notify the association at lakebridge4@yahoo.com so you can be added to the list, and not miss out on any important association notifications.
